key cabinets

Don't have the worries for wondering where you have left the keys. Enjoy the perfectly organized and labeled keys, which are available for co-workers, customers etc.

All Pavo key cabinets are designed with a key return gap, which is easy for storing your key when the clerk has gone out. Very clever and absolutely unique! Available in different sizes, finish and locks.

Supplied with key fobs (8041923 excluded), self-adhesive number pad, label table and mounting wall fixings.
