DESK SCULPO

Sculpo Desk is an ideal solution to divide work spaces creating a visual barrier and acoustic comfort. Composed out of simple shapes and strong lines, this product is pinnable, lightweighted and eco-friendly.

- PET material (20mm)
- Round Corners
- Robust and lightweight
- Acoustic properties
- Eco-friendly
- Fire-retardant
- Push-pin surface to highlight relevant information
- Easy to assemble

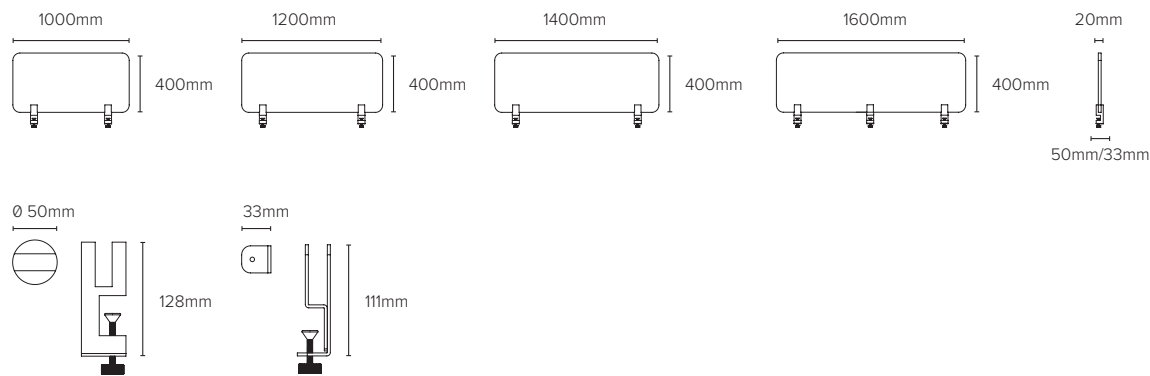

Made from eco-friendly materials, offering a ecological solution within contemporary interior design, PET technology is a felt material that doesn't emit toxins into the air.

The fixing system is composed of two elegant options: wood with metal or exclusively metal table fittings, catering to decor preferences. It is very easy to assemble.

With a push-pin surface of 20mm thickness and round corners, the product is designed to have minimalist shapes, giving an elegant, modern and efficient touch to the office space.
