

FEATURES

- Door locking security
- Ventilation slits to reduce unpleasant odours
- Lid rope and gas pressure springs for easy opening
- Dampers for quiet lid closing
- Side wall assembly holes to add additional bin boxes
- Available in colour options - anthracite, oak wood effect and silver

USES

- Suitable for all standard bin sizes up to 240 litres
- Stores unsightly household rubbish and recycling bins
- Protects from weather, animals and vandalism

Phoenix Bin Stores provide a discreet and practical solution to maintain the cleanliness and freshness of your home outdoor space. Our bin stores offer a convenient way to hide unsightly rubbish bins, while also safeguarding them against weather, animals and potential vandalism. With a spacious design that fits standard-sized household wheelie bins, we offer a range of size and colour options to complement any home.

FOCUS

DURABLE MATERIALS

Made of galvanized, powder-coated steel in anthracite RAL 7016 and is therefore robust, durable and easy to clean. Wind and weather cannot harm the cladding for the wheelie bin.

SECURITY

Door locking system, with two keys supplied. Ensures security and peace of mind.

EXTENDABLE

Can be combined in a modular way. Connect any number of Phoenix single and double wheelie bin boxes to form a larger unit. Pre-prepared holes are on the side walls.

EASY USE

Thanks to gas pressure springs on the box lid (2 pieces per lid), you can dispose of your rubbish with a flick of the wrist. The closing dampers enable the lid to be closed almost silently.

GOOD LOOKS

Attractive slatted doors in three colour options - anthracite, oak wood effect and silver. A matching range of post and parcel boxes is also available to complete a smart outdoor look.
